## SPECIAL FEATURE

### KAVYA SHETH

Founder and Creative Director, Studio Ruh

Kavya Sheth takes us into the future, "In an almost-post Covid world, we have all realised how much we have missed outdoor spaces and the calm serenity they bring to our lives. That is why, oversized plants are going to be everywhere in 2022. Apart from all the tiny succulents people brought into their homes some years ago, we feel 2022 will see a ton of large, show-stopping plants and planters. Most definitely the hero in every space!"

**NURTURE YOUR GREENS AND IN RETURN ENJOY THE GENTLE CONNECTION AND JOY THEY BRING. A PLEASANT SIGHT TO START AND END EACH DAY WITH, GIGANTIC GREENS WILL BE SHOWING UP IN SPACES ACROSS THE WORLD.**
